PRESIDENT'S MESSAGE

DEBBIE ISAAC

Dear Members:

I hope everyone is enjoying the fine weather we are having and that it's not interfering with your participation in retreats, workshops, sew days and anything else that gets you near your sewing machine. In October, I did just that, participated in an activity that took me far, far away from my machine. The separation I was sure, would be painful, but then I realized that I could still partake in my favourite sport – fabric fondling – the locale would just be different and maybe the fabric too. So we packed up the truck and with friends in tow (she's also a quilter) we headed to Myrtle Beach, South Carolina, for a week of golf. After a couple of rounds we (the ladies) dug in our heels, dropped the men off at the course and headed in search of quilt shops. Have you ever gone into a quilt store, far from home, and said "I'm from Ottawa" or "I'm from Canada"? No? Well, you should really try it. In Myrtle Beach the comment earned us a guided tour of the store, people tripping over themselves to help us and ladies eager for the opinion of someone from "away" on their colour combinations. Of course this attitude is mirrored in Canada as well. I experienced it on Vancouver Island in September, where I was treated to a coffee, muffin and a chair as we sat and chatted like old friends catching up after years apart, sharing Guild and quilt stories, challenge suggestions and everything quilting. The ladies at Serge & Sew in Nanaimo loved the pictures of our Canada 150 Quilt and hope to do a post-card block challenge in the future. Next time you are headed out on vacation don't forget to pop into the local quilt shop wherever you are and fondle foreign fabric for a moment or two. You never know, some of it may just follow you home!

FUNDRAISER

The Guild will once again be holding a fundraiser for the **GLOUCESTER EMERGENCY FOOD CUPBOARD (GEFC)**. We will be collecting toothpaste, toothbrushes and other toiletries at our NOVEMBER and DECEMBER meetings.

This fundraiser has become a very special event for the GEFC. It is important to note while the GEFC has a budget to purchase food essentials such as milk, eggs etc. they do not purchase toothpaste, toothbrushes and other toiletries. When these items are delivered to the GEFC it creates a buzz with the volunteers and even brings smiles to their faces. These items will be distributed to clients as a little extra during the Xmas season. Since the GUILD has been doing this FUNDRAISER, the GEFC has been able to provide all clients with toothbrushes and toothpaste during December.

During this past year the GEFC has experienced a significant increase in clients needing their service. 2017 has been a busy year at the food cupboard which is mainly due to an influx of refugees and immigrants from war torn countries.

A HUGE THANKS TO ALL GUILD MEMBERS FOR THEIR GENEROUS SUPPORT OF THIS INITIATIVE OVER THE YEARS.

Mystery Quilt Challenge

Laura Malo

The mystery quilt challenge is in full swing with 3 clues now available. We hope that you are having fun. Please do not worry if you are behind (or not even started). There is still lots of time to catch up; perhaps after the silly holiday season is over. Laura Malo will be giving members a last chance to sign up at this month's meeting and we hope that you will join the 76 members now currently participating.

There is a possibility of a dedicated Sew Day (or two) sometime after the holidays for those of you who are working on (or would like some encouragement to get started on) the mystery quilt. What fun that would be to share information and see what others are up to. Further details and dates to follow next month

Victoria's Quilts Canada is a charitable organization of volunteers that provides gifts of handmade quilts to people living with cancer in Canada. To make the quilt tops, we need donations of 100% cotton fabric. We can't use Christmas, baby or novelty fabrics, but we take just about anything else as long as it's unused and at least 1/4 metre in size. Why not trim down your unruly stash by donating part of it so that we can continue providing comfort to those dealing with this dreaded disease. PROGRAMME

Gwenne Beck-Pottier

The program for November features Kathy Wylie speaking on Judging Quilts. Quilt judging interests Kathy from both perspectives: as a CQA Certified Quilt Judge and as an award-winning quilter. Her lecture explains what quilt judges are looking for, how to enter a juried show, and the benefit of quilt critiques. Even if you never intend to enter your work in a quilt show, you are sure to learn something that will improve your quilt making skills.

Kathy K. Wylie was born and raised in Ottawa, Ontario. After graduating from McGill University with a business degree, she moved to Toronto to begin a career in marketing with IBM Canada. Seven years later, Kathy resigned from IBM to stay home and raise her family. It was at this time that she began quilting.

It was love at first sight. Quilting was a combination of so many things that Kathy enjoyed: sewing, needlework, fabric, color, graphic design, even math! Quilting became her passion.

Within four years, Kathy was teaching quilting classes. She began by teaching a small group of ladies in her church group. She now [lectures](#) and [teaches](#) all over Canada at guilds, shops, and quilt shows. Kathy has been a guest-artist in residence at The Elly Sienkiewicz Appliqué Academy and a faculty member at Quilt Canada. Her focus is on teaching skills and techniques that will develop other quilters. Kathy is a Canadian Quilters' Association Certified Quilt Judge.

Kathy began showing her work in 2002. Her first entry into international competition earned a third-place ribbon. She has continued to exhibit her quilts and has received [recognition](#) in Canada as well as internationally. Her quilt [Instruments of Praise](#) earned the 2011 Bernina Machine Workmanship Award from the American Quilter's Society and now resides in the U.S. National Quilt Museum as part of its permanent collection. She was honored to receive the 2011 Founders Award from the International Quilt Association and the 2013 Best of Show Award from the Canadian Quilters Association for her quilt [Flourish on the Vine](#).

Kathy is the author of [Sewflakes: Papercut Appliqué Quilts](#) (C&T Publishing, 2007), [Flourish on the Vine Pattern Pack](#), [Instruments of Praise Pattern Pack](#) and has released other patterns in print and online at PatternSpot.com. Her work has been published in magazines, including Quiltmaker's 100 Blocks and on the April/May 2012 cover of Quilters Newsletter.

Kathy is interested in a broad spectrum of quilting techniques, but her style would best be described as "contemporary traditional". As Kathy has developed as an artist, her work has taken on a distinct focus. Using Biblical imagery and spiritual themes, Kathy's quilts are a reflection of her relationship with God and her journey of faith.
