**PRESIDENT'S MESSAGE****LAURELLE CALLAGHAN**

It is hard to believe that as this newsletter goes out Halloween is behind us and Christmas is less than two months in the future. I remember being told when I was younger that time seems to move more quickly as we age; I hope to live a lot longer but at the rate that time seems to move right now, I can't even imagine the future! Our Guild has had a busy fall though paying homage to the passage of time. Over a hundred cuddle quilts collected, thirty-five panel challenge quilts returned, great workshops, retreats, mystery quilts, Quilt Canada and at last month's meeting a spontaneous collection of funds that profited buying power for the Ottawa Food Bank of \$3995.00. WOW!!

The executive has been busy tending to the 'day to day' needs of the Guild, looking for potential new meeting spaces and aligning Guild activities to the change in our fiscal year which was approved in late summer. The change in the fiscal year means that we have aligned our monetary year with what I would describe the 'life year' of our Guild activities. In the past, our budgetary year ended in Jan; our elections were held at the May meeting but the new executive did not assume responsibilities until July. While the challenges of these different timeline dates were not always visible to the membership, the executive was continually 'working around them'. NOW we will have a more streamlined process. Fiscal year end, annual reports, and elections will all be held in June with one Annual General Meeting followed by a social night. We will be able to wrap up business and have a chance to socialize with friends that we may not see through the summer. However, (there is always a catch), there is one last piece of business that needs to be completed before we can totally move into the new system. Since our new fiscal year began 1 July 2018, and our previous fiscal year ended Jan 2018, we need to be accountable for the period Feb 1, 2018 to Jun 30, 2018. In Nov, we will have a brief General Meeting, to present the reports for that period, as well as the completed and examined financial report. Then we will be off to the races until next Jun 2019!!!

As you receive this newsletter, November 11, will be just on the horizon. Many will have sewn in the Quilts of Valour Bee at Orleans United Church Nov 3. (just a little reminder). Thanks to last month's presentation by Robbie Chapman, we gained more insight in how we can support today's veterans through our gift of quilting. I would guess that many of our members are like me, a Baby Boomer, who have had fathers, grandfathers, uncles, cousins, family friends who died, or served and came home scarred from WW1, WW2 or Korea. Quilts of Valour reminds us that there is a new kind of veteran who also touches many in our guild—those who have served in the military since the Korean conflict and the Cold War ended. We also have spouses, children, nieces, nephews, friends who have served in what scholars would call it 'unconventional warfare': Bosnia, Rwanda, Kosovo, East Timor, Afghanistan and Iraq to name a few hot spots. Clear lines do not define the battleground and it is often difficult to discern 'who is the enemy?' While Canada has had soldiers, both men and women, who have paid the ultimate sacrifice of their lives, we have had many, many more who have returned with both physical and emotional scars. Living with the aftermath of injuries impacts not only the soldier, him or herself, but also our families. On a personal note, as I shared at the meeting, I am a veteran with both physical and mental scars. I live in gratitude for the gathering of quilters, the shared friendship, the creativity and the project challenges that quilting brings to daily life. We all face challenges, both mental and physical, to the fabric of our lives. I hope that the Common Thread Quilt Guild brings support.

PROGRAMME

GWENN BECK-POTTIER

Jen Swallow took her first quilting class in 2010. That class quickly turned into a hobby and then a passion. Jen loves to learn, test and teach the newest (and not-so-new) tools and rulers on the market. She loves when quilters have that ah-ha moment and the light bulb comes on. Jen has worked and taught for many different quilt shops but decided to open her own home-based business, Happy Wife Quilting, when she moved back home three years ago. She also has 3 wonderful kids and a hubby who support her love of quilting.

Shop of the Month

Happy Wife Quilting is an online and home-based quilt shop located just outside of Carleton Place. They offer the latest notions, tools and patterns on the market and also carry lots of trusted favourites. With over a 100 bolts of fabric, interfacing and batting to choose from, you can always find a match to what you are looking for. In a separate well-lit, comfortable, classroom, classes are offered to a maximum of 4 people. You will receive lots of one-on-one attention and have the ability to use tools that are provided before you purchase them. And remember they also offer edge-to-edge longarm services with a quick turnaround time. Happy Wife Quilting loves to hit the road and set-up shop at various guild events and quilt shows. Remember that the shop is only open by appointment or online 24/7.

FUNDRAISER

The Guild will once again be holding a fundraiser for the **GLOUCESTER EMERGENCY FOOD CUPBOARD (GEFC)**. We will be collecting toothpaste, toothbrushes and other toiletries at our NOVEMBER and DECEMBER meetings.

This fundraiser has become a very special event for the GEFC. It is important to note while the GEFC has a budget to purchase food essential such as milk, eggs etc. they do not purchase toothpaste, toothbrushes and other toiletries. When these items are delivered to the GEFC it creates a buzz with the volunteers and even brings smiles to their faces. These items will be distributed to clients as a little extra during the Xmas season. Since the GUILD has been doing this FUNDRAISER the GEFC has been able to provide all clients with toothbrushes and toothpaste during December.

During this past year the GEFC has experienced a significant increase in clients needing their service. 2018 has been a busy year at the food cupboard which is mainly due to an influx of refugees and immigrants from war torn countries.

**A HUGE THANKS
TO ALL GUILD MEMBERS FOR THEIR GENER-
OUS SUPPORT OF THIS INITIATIVE OVER THE
YEARS,
GUILD EXECUTIVE.**

Welcome to the CTQG Mystery Quilt Challenge. You are one step closer to the final solution.

Follow the clues each month and win prizes for the solution. Each clue will be posted as a link on the website. There is no need to sign up and you can join in on the fun anytime.

Just click on the link on the website (or go to the Guild Activities tab) on the website, print and follow the instructions.

Don't worry if you miss a month ... all the clues will remain on the website until the June meeting.

Clue #3 is ready to go. Happy quilting!

Summer Contest Panel Panache

The Summer Contest is now over and we've had a terrific response! In all we received 41 beautiful quilts that have obviously been made with care and love. Thank you everyone who entered and submitted a quilt!

At the November meeting, from the names of the people who submitted quilts, we will have two draws, each for \$50.

YM/YWCA TRY Supportive Housing for Women.

We have a new organization that we will be giving quilts to called the YM/YWCA TRY Supportive Housing Program for Women. The TRY program provides low cost housing with support for women who are homeless or at risk of being homeless. The women have a private room but share common washrooms and kitchen facilities. Rooms come furnished with a closet, bed frame and small fridge. Clients provide their own mattress, bed sheets, towels, cooking utensils, and groceries. Often these women arrive with only a blanket for their bed. By giving these women quilts we can help keep them warm and hopefully provide some comfort.

Carty House

Last year we had given 11 quilts to Carty House that supports refugee women who are working to integrate into Canadian society. There is room for 10 women in the house and since last year, there has been a complete turnover of residents so none of the current residents have quilts (plus there are two babies). As you can see below, we will be able to give them all quilts.-----

Last week our Community Projects committee got together and divided up the quilts to give to our charities. In the past year we have received 135 quilts (wow!) that we will be giving to the following:

Interval House: 18
Carty House: 12
CHEO: 45
Cornerstone: 13
YM/YWCA TRY: 27
Algoma: 4
Chernobyl: 16

Victoria's Quilts Canada
is always happy to receive your
fabric donations.

Victoria's Quilts Canada is a charitable organization of volunteers that provides quilts to people living with cancer in Canada – as a gift. To make the quilt tops, we rely on donations of 100% cotton fabric. We can't use Christmas, baby or novelty fabrics, but we take just about anything else – as long as it's unused and at least ¼ metre in size. Why not trim down your unruly stash by donating part of it so that we can continue providing comfort to those dealing with this dreaded disease.
